	Feature	Benefit
Improves Health & Safety	Hygienic	The unique patented pump and cartridge are ultrasonically sealed and designed to prevent air ingress into the cartridge minimizing the risk of external contamination.
	Superior Formulation	Provides effective sanitizing without drying out the skin. Foams instantly, spreading product quicker and more effective.
	Motivates Skin Care Compliance	Contains skin conditioners to prevent drying of the skin and leaves hands feeling soft and supple.
	NSF E-3 Rated for Hand Sanitizing	Perfume-free and dye-free, will not taint food when used as a hand sanitizer supplemental to handwashing.
	Dispensers	Dispensers with BioCote™ protection are guaranteed for life. Each cartridge fits quickly and easily into dispenser. Appeal white and black dispensers come with a tamper-resistant lock and are ADA compliant.
Environment	Saves Water	Instant foam lather can be applied direct to dry hands. Use without water to kill 99.99% of many common germs in 30 seconds.
	Recyclable Packaging	All cartridge components and packaging are recyclable while formulations are biodegradable.
Reduces Cost	No Wastage	The cartridge collapses during normal use to ensure full evacuation of product.
	Highly Economical	Only one dose, 0.63 mL, is required to provide effective skin sanitizing.

Non-Alcohol Foaming Hand Sanitizer (dye and fragrance free)
