Appeal Window Cleaning

Appeal stainless steel window cleaning tools are designed for professional looking results at an affordable price. Stainless steel design offers strength, durability, rust-free performance and are lighter than brass models to help prevent worker fatigue.

Stainless Steel Window Squeegees

The squeegee handle features an ergonomic rubber hand grip for use in all weather conditions, a heavy duty frame that securely holds various channel widths, and a quick-change device for fast and simple channel/blade changes. Handle fits most extension poles on the market. Available in various widths to help match the squeegee to the job. Channels feature a soft rubber blade for streak-free performance.
